

My Pledge

We want to ensure the 'nothing about us without us' becomes a reality in North Ayrshire - for all our services across North Ayrshire Council and our valued partners.

Please give us your personal or organisation's pledge to young people on how you will ensure that their voice is represented, valued and actioned in all planning, decisions, consultations and projects that you are planning and delivering.

Please share you pledge with us through Social media here:

-  'Like' North Ayrshire Youth Services
